

इंदरदीप शेरे Inderdip Shere

Curious in thought, persistent in effort, and deeply attached to family and roots.

Inderdip Groom

- Family is his foundation: the place from which strength, support, and confidence radiate.
- Having lived away from home since school and through his PhD, distance made his family bond even deeper.
- Believes education is lifelong wealth, built through curiosity, discipline, and self-effort.
- Works as a researcher in molecular simulation, in a national lab in the south of France.
- Strong, stubborn, hardworking, persistent, and steady; rarely angry and famously quick to fall asleep.
- Rooted in Indian culture, Hindu traditions, truthfulness to oneself, growth, and openness toward the unknown.
- Enjoys running, swimming, table tennis, chess, painting, crafts, yoga, and exploring the world.
- For him, marriage is a conscious equation of companionship: togetherness should increase joy and reduce life's difficulties.
